

# Lucas Gabriel Ojeda

*Front-end web developer*

*ojedalucasgabriel2@gmail.com • (+54) 221-317-3888*

## About me

---

- I have an intermediate level of English, I can read and write without problems, and also hold a conversation fluently.
- My hobbies are going to the gym, hang out with my friends and family, learning new things and watching movies.

## Education

---

### UDEMY - Online course platform

React: De cero a experto (Hooks y MERN) – by *Fernando Herrera* Dec 2021

Node: De cero a experto – by *Fernando Herrera* Aug 2021

### ALBERT THOMAS - Industrial Technical College

Electromechanical technician Dec 2019

## Experience (Personal projects)

---

### ECOMMERCE

Jan 2022 - Dec 2022

- This application was made with the objective that any company that uses it will be able to sell their products to the public.
- The interface of the application was divided in two parts: the user application (ecommerce itself), and the admin application (dashboard).

User application: Application used by users to buy products.

- *React js • Redux toolkit • Material ui*

[GITHUB](#)

[DEMO](#)

Admin application: Application used by the admin and the moderators of the ecommerce to administrate their products.

*React js • Redux toolkit • Sass*

[GITHUB](#)
